Hollywood, California 90028

Dear Friends:

It gives me great pleasure to extend my warmest greetings to all who have gathered for the Friends of the Hollywood Central Park's *For the Love of Hollywood Gala*.

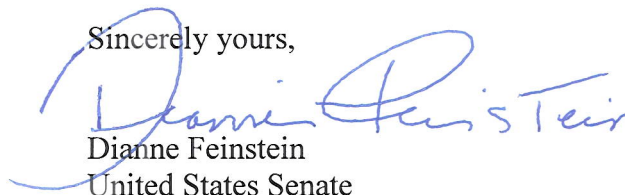

Since its inception, the Friends of the Hollywood Central Park has nurtured an ambitious and innovative plan for the City and residents of Hollywood. There is no doubt their efforts to promote the need for green space within urban environments is truly admirable. I commend Friends of the Hollywood Central Park for their hard work and tremendous dedication to the community.

I would also like to take this opportunity to recognize tonight's distinguished honorees: Congressman Xavier Becerra, Gerdo Aquino, Maria Elena Rico, and the Los Angeles Chamber of Commerce. These extraordinary individuals and organizations have demonstrated an extraordinary commitment to their community and the environment. There is no doubt their remarkable efforts will continue to benefit countless individuals for many years to come.

As your United States Senator representing the State of California, I commend the Friends of the Hollywood Central Park and all of tonight's outstanding honorees for their many achievements and contributions. Please accept my best wishes for a most memorable event.

With warmest personal regards.

Sincerely yours,

Dianne Feinstein
