Friends of the Hollywood Freeway Central Park
Hollywood California

Dear Friends of the Hollywood Freeway Central Park:

On behalf of the more than 50,000 residents and stakeholders of East Hollywood, the East Hollywood Neighborhood Council gives its most enthusiastic endorsement to the creation of the Hollywood Central Park.

East Hollywood is one of the most park-poor neighborhoods in Los Angeles – a city where more than a million children do not live within walking distance of a park. The Hollywood Central Park represents an opportunity to transform this community, revitalize

Hollywood, reconnect neighborhoods that have been separated for decades by the Hollywood Freeway, and create a healthy, sustainable environment for the children of this community.

The East Hollywood Neighborhood Council will continue in its commitment to the Hollywood Central Park until the dream of a green, healthy and vibrant Hollywood becomes a reality.

Yours truly,

David Bell
President, East Hollywood Neighborhood Council
